Dear Jon,

On behalf of the Social Committee and myself we would like to take this opportunity to thank you, and your band in providing a fantastic musical display, it certainly set the scene for what transpired to be an excellent Summer Ball.

Our returning personnel thoroughly enjoyed what they quoted to be the best ball they have ever attended. What's more fitting than to have a memorable band to mark the occasion.

In the run up to the event and during the evening I was impressed with your friendly but professional and efficient attitude. I had many people on the evening and have had a great many more since, expressing their pleasure at the excellent spectacle you provided, which enhanced and enriched the evening as a whole.

I would have no hesitation in thoroughly recommending you to anyone who is looking for first class band from an extremely professional company.

Once again, many thanks from the Social Committee and Mess Members of the Warrant Officers and Senior Rates Mess.

Yours sincerely,

Michael Williams

Blandford Sgts Mess Christmas Ball 2005

Hi Jon,

My thanks...please use and publish as you wish,

I would like to thank Jon Osterweil and Station for helping to make the 2005 Christmas Ball in Blandford Camp Sergeant's Mess the biggest and most successful in many years. The Blandford Mess is one of the largest and most prestigious in the British Army and as such demands the best entertainment available for its showcase functions. From the outset, Jon spent a great deal of time and effort to assemble a tailor-made line up of great entertainment. His knowledge of the entertainment industry is first rate. He provided us with what turned out to be an outstanding evening of live music, mysticism and magic. I cannot praise Jon highly enough for all he did for us, and for his inspired recommendations. Jon Osterweil and Station will now be our first choice every time for future live entertainment events.

KEITH RUSH

I would like to take this opportunity to thank you for providing the entertainment for the RAF Uxbridge Christmas Draw on Friday 7 December 2007. The event was a great success with huge amounts of positive feedback from attendees making a special mention as to how good the music was. You were able to adapt to the venue restrictions incredibly well and with ease. We will most definitely be using you again in the future for more events.

Thank you once again.
